Dear Community Partner:

Enclosed you will find a final Request for Proposal for 2014 Community Development Block Grant funding. Thank you for your input, ideas, and feedback on the draft documents.

We made changes to reflect a number of your comments, some of which were in the nature of proofreading. Other comments required more extensive responses from us, and we have included those comments and our responses in this package as a separate document.

Please note that one of the responses is in the form of a timeline for preparation of our 2014 Annual Action Plan. You will see on that timeline that we will be holding public hearings/workshops, conducted by our staff with support from HUD's OneCPD consulting team, on July 10 and 11. Please make every effort to join us for one of the public hearing/workshop events. The public notice for these events is also enclosed.

Your questions relating to the proposal forms, supporting documentation and funding process are welcome and encouraged at the public hearings/workshops. Otherwise, all such questions must be submitted no later than July 25, 2013, by mail to [CDBG@stlouis-mo.gov](mailto:CDBG@stlouis-mo.gov). CDA will provide answers in writing and post Frequently Asked Questions and Answers on the CDA website ([www.stlouis-mo.gov/cda](http://www.stlouis-mo.gov/cda)). No questions will be taken or answered by telephone or by direct contact with a CDA staff member. Please check our website frequently for updates.

Once again, thank you for your participation as we work together with HUD to improve the process for investing federal community development funds in the City of St. Louis.

Sincerely,

Jill Claybour  
Acting Executive Director
