ABOUT THE PRESENTER

Majora Carter is producer and host of the Peabody Award winning public radio series, *The Promised Land*, and serves on the Boards of the US Green Building Council and The Wilderness Society. From 2001 to 2008, she was Executive Director of the non-profit she founded, Sustainable South Bronx, where she pioneered green-collar job training systems in one of the most environmentally and economically challenged parts of the US. This 2009 MacArthur Fellow is now president of her own economic consulting firm, The Majora Carter Group.
