Regulation NO. 114F*

FIRE DEPARTMENT RESIDENCY REQUIREMENT

Effective: November 16, 2012

The residence requirement for employees in the Fire Department ONLY has been amended by a state statute. The following residence requirement is now in effect for employees of the Fire Department.

1. An employee of the Fire Department who has worked for the Fire Department for a minimum of seven years shall not be required to reside within the City of St. Louis if the only public school district available to the employee within the City of St. Louis is or has been unaccredited or provisionally accredited the last five years of such employee's employment. Charter schools are not considered a public school for the purpose of this regulation.
2. Employees who have satisfied the seven year requirement and who choose to reside outside the geographical boundaries of the City of St. Louis shall reside within a one-hour response time.

Employees who do not meet the above criteria must continue to comply with and meet the residence requirement as noted in Article VIII, §2 of the Charter of the City of St. Louis and Department of Personnel Administrative Regulation No. 114. All employees are required to provide a change of address to his/her appointing authority immediately upon changing their residence.

Additional copies of this Administrative Regulation may be obtained from the City's Website. Any questions concerning this regulation are to be referred to Linda Thomas, Deputy Director of Personnel, at 622-3251.
