**WHEREAS**, the City of St. Louis, Missouri (the “City”), is a body corporate and a political subdivision of the State of Missouri, duly created, organized and existing under and by virtue of its charter, the Constitution and laws of the State of Missouri; and

**WHEREAS**, on December 20, 1991, pursuant to Ordinance No. 62477, the Board of Aldermen of the City created the Tax Increment Financing Commission of the City of St. Louis, Missouri (the “TIF Commission”); and

**WHEREAS**, the TIF Commission is duly constituted according to the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865 of the Revised Statutes of Missouri (2000), as amended (the “TIF Act”), and is authorized to hold public hearings with respect to proposed redevelopment areas and redevelopment plans and to make recommendations thereon to the City; and

**WHEREAS**, staff and consultants of the City and 1911 Locust Partners, LLC, a Missouri limited liability company (the “Developer”), prepared a plan for redevelopment titled “The Foundry TIF Redevelopment Plan” dated November 22, 2006 (the “Redevelopment Plan”), for an area located at 1911 Locust Street in Downtown West St. Louis (the “Redevelopment Area” or “Area”), which Redevelopment Area is more fully described in the Redevelopment Plan, attached hereto and incorporated herein as **Exhibit A**; and

**WHEREAS**, the Redevelopment Plan proposes to redevelop the Redevelopment Area by acquisition, rehabilitation and redevelopment of the existing former industrial building within the Redevelopment Area into residential condominiums on both the first and second floors, as set forth in the Redevelopment Plan (the “Redevelopment Project,” or “TIF Project”); and

**WHEREAS**, on January 10, 2007 after all proper notice was given, the TIF Commission held a public hearing in conformance with the TIF Act and received comments from all interested persons and taxing districts relative to the Redevelopment Area, the Redevelopment Plan, and the Redevelopment Project; and

**WHEREAS**, on January 10, 2007, the TIF Commission found that completion of the Redevelopment Project would provide a substantial and significant public benefit through the creation of new jobs, the elimination of blight, the preservation of historic structures, the strengthening of the employment and economic base of the City, increased property values and tax revenues, stabilization of the Redevelopment Area, and facilitation of economic stability for the City as a whole, and further found that without the assistance of tax increment financing in accordance with the TIF Act, the Redevelopment Project is not financially feasible and would not otherwise be completed; and

**WHEREAS**, on January 10, 2007, the TIF Commission voted to recommend that the Board of Aldermen adopt an ordinance in the form required by the Act (i) adopting tax increment financing within the Redevelopment Area, (ii) approving the Redevelopment Plan, (iii) approving and designating the Redevelopment Area as a “redevelopment area” as provided in the Act, (iv) approving the Redevelopment Project as described within the Redevelopment Plan, and (v) approving the issuance of tax increment financing revenue notes in the amount as specified in the Redevelopment Plan; and

**WHEREAS**, the Developer has demonstrated that the Redevelopment Project would not reasonably be anticipated to be developed without the adoption of tax increment financing and, therefore, redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan is not feasible and would not otherwise be completed; and

**WHEREAS**, the Board of Aldermen has received the recommendations of the TIF Commission regarding the Redevelopment Area and the Redevelopment Plan and finds that it is desirable and in the best interests of the City to designate the

Redevelopment Area as a “redevelopment area” as provided in the TIF Act, adopt the Redevelopment Plan and Redevelopment Project in order to encourage and facilitate the redevelopment of the Redevelopment Area; and

**WHEREAS**, the Redevelopment Area qualifies for the use of tax increment financing to alleviate the conditions that qualify it as a “blighted area” as provided in the TIF Act and as set forth herein; and

**WHEREAS**, it is necessary and desirable and in the best interest of the City to adopt tax increment allocation financing within the Redevelopment Area and to establish a special allocation fund for the Redevelopment Area in order to provide for the promotion of the general welfare through redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan which redevelopment includes, but is not limited to, assistance in the physical, economic, and social development of the City of St. Louis, providing for a stabilized population and plan for the optimal growth of the City of St. Louis, encouragement of a sense of community identity, safety and civic pride, preservation and restoration of property of historical and architectural value and significance and the elimination of impediments to land disposition and development in the City of St. Louis.

**BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:**

**SECTION ONE.** The Board of Aldermen hereby makes the following findings:

A. The Redevelopment Area on the whole is a “blighted area”, as defined in Section 99.805 of the TIF Act, and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing. This finding includes, the Redevelopment Plan sets forth, and the Board of Aldermen hereby finds and adopts by reference: (i) a detailed description of the factors that qualify the Redevelopment Area as a “blighted area” and (ii) an affidavit, signed by the Developer and submitted with the Redevelopment Plan, attesting that the provisions of Section 99.810.1(1) of the TIF Act have been met, which description and affidavit are incorporated herein as if set forth herein.

B. The Redevelopment Plan conforms to the comprehensive plan for the development of the City as a whole.

C. In accordance with the TIF Act, the Redevelopment Plan states the estimated dates of completion of the Redevelopment Project and retirement of the financial obligations issued to pay for certain redevelopment project costs and these dates are twenty three (23) years or less from the date of approval of the Redevelopment Project.

D. A plan has been developed for relocation assistance for businesses and residences in Ordinance No. 62481 adopted December 20, 1991.

E. A cost-benefit analysis showing the economic impact of the Redevelopment Plan on each taxing district which is at least partially within the boundaries of the Redevelopment Area is on file with the St. Louis Development Corporation, which cost-benefit analysis shows the impact on the economy if the Redevelopment Project is not built, and is built pursuant to the Redevelopment Plan.

F. Redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan is not financially feasible without the assistance of tax increment financing and would not otherwise be completed.

G. The Redevelopment Plan does not include the initial development or redevelopment of any “gambling establishment” as that term is defined in Section 99.805(6) of the TIF Act.

H. The Redevelopment Area includes only those parcels of real property and improvements thereon directly and substantially benefited by the proposed Redevelopment Project.

**SECTION TWO.** The Redevelopment Area described in the Redevelopment Plan is hereby designated as a “redevelopment area” as defined in Section 99.805(11) of the TIF Act.

**SECTION THREE.** The Redevelopment Plan as reviewed and recommended by the TIF Commission on January 10, 2007, including amendments thereto, if any, and the Redevelopment Project described in the Redevelopment Plan are hereby adopted and approved. A copy of the Redevelopment Plan is attached hereto as **Exhibit A** and incorporated herein by reference.

**SECTION FOUR.** There is hereby created and ordered to be established within the treasury of the City a separate fund to be known as “The Foundry Special Allocation Fund.” To the extent permitted by law and except as otherwise provided in the Redevelopment Plan, the City hereby pledges funds in The Foundry Special Allocation Fund for the payment of redevelopment project costs and obligations incurred in the payment thereof.

**SECTION FIVE.** Tax increment allocation financing is hereby adopted within the Redevelopment Area. After the total equalized assessed valuation of the taxable real property in the Redevelopment Area exceeds the certified total initial equalized assessed valuation of the taxable real property in the Redevelopment Area, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in the Redevelopment Area by taxing districts and tax rates determined in the manner provided in Section 99.855.2 of the TIF Act each year after the effective date of this Ordinance until redevelopment costs have been paid shall be divided as follows:

A. That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the Redevelopment Project shall be allocated to and, when collected, shall be paid by the City Collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

B. Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the Redevelopment Project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the Redevelopment Project shall be allocated to and, when collected, shall be paid to the City Treasurer, who shall deposit such payments in lieu of taxes into The Foundry Special Allocation Fund for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the Redevelopment Project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable.

**SECTION SIX.** In addition to the payments in lieu of taxes described in Section Five of this Ordinance, fifty percent (50%) of the total additional revenue from taxes, penalties and interest which are imposed by the City or other taxing districts, and which are generated by economic activities within the area of the Redevelopment Project over the amount of such taxes generated by economic activities within the area of the Redevelopment Project in the calendar year prior to the adoption of the Redevelopment Project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri (2000) as amended, or taxes levied for the purpose of public transportation pursuant to Section 94.660 of the Revised Statutes of Missouri (2000) as amended, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, shall be allocated to, and paid by the collecting officer to the City Treasurer or other designated financial officer of the City, who shall deposit such funds in a separate segregated account within The Foundry Special Allocation Fund.

**SECTION SEVEN.** The Comptroller of the City is hereby authorized to enter into agreements or contracts with other taxing districts as is necessary to ensure the allocation and collection of the taxes and payments in lieu of taxes described in Sections Five and Six of this Ordinance and the deposit of the said taxes or payments in lieu of taxes into The Foundry Special Allocation Fund for the payment of redevelopment project costs and obligations incurred in the payment thereof, all in accordance with the TIF Act.

**SECTION EIGHT.** The City Register is hereby directed to submit a certified copy of this Ordinance to the City Assessor, who is directed to determine the total equalized assessed value of all taxable real property within the Redevelopment Area as of the date of this Ordinance, by adding together the most recently ascertained equalized assessed value of each taxable lot, block, tract or parcel of real property within the Redevelopment Area, and shall certify such amount as the total initial equalized assessed value of the taxable real property within the Redevelopment Area.

**SECTION NINE.** The Mayor and Comptroller of the City or their designated representatives are hereby authorized and directed to take any and all actions as may be necessary and appropriate in order to carry out the matters herein authorized, with no such further action of the Board of Aldermen necessary to authorize such action by the Mayor and the Comptroller or their designated representatives.

**SECTION TEN.** The Mayor and the Comptroller or their designated representatives, with the advice and concurrence of the City Counselor and after approval by the Board of Estimate and Apportionment, are hereby further authorized and directed

to make any changes to the documents, agreements and instruments approved and authorized by this Ordinance as may be consistent with the intent of this Ordinance and necessary and appropriate in order to carry out the matters herein authorized, with no such further action of the Board of Aldermen necessary to authorize such changes by the Mayor and the Comptroller or their designated representatives.

**SECTION ELEVEN.** It is hereby declared to be the intention of the Board of Aldermen that each and every part, section and subsection of this Ordinance shall be separate and severable from each and every other part, section and subsection hereof and that the Board of Aldermen intends to adopt each said part, section and subsection separately and independently of any other part, section and subsection. In the event that any part, section or subsection of this Ordinance shall be determined to be or to have been unlawful or unconstitutional, the remaining parts, sections and subsections shall be and remain in full force and effect, unless the court making such finding shall determine that the valid portions standing alone are incomplete and are incapable of being executed in accord with the legislative intent.

**SECTION TWELVE.** After adoption of this Ordinance by the Board of Aldermen, this Ordinance shall become effective on the 30th day after its approval by the Mayor or adoption over his veto; *provided that* if, within ninety (90) days after the effective date of an ordinance authorizing the City to enter into a redevelopment agreement pertaining to the Redevelopment Project, the Developer has not (i) executed such redevelopment agreement and (ii) paid all fees due to the City in accordance with the terms of the redevelopment agreement, the provisions of this Ordinance shall be deemed null and void and of no effect and all rights conferred by this Ordinance on Developer, shall terminate, *provided further*, however, that prior to any such termination the Developer may seek an extension of time in which to execute the Redevelopment Agreement, which extension may be granted in the sole discretion of the Board of Estimate and Apportionment of the City of St. Louis.

To the extent of any inconsistency among the foregoing, the parties agree that the Redevelopment Plan shall govern.

**2.2 Developer to Advance Costs.** The Developer agrees to advance all Redevelopment Project Costs as necessary to acquire the 1818 Washington Property and to complete the Work, all subject to the Developer’s right to abandon the 1818 Washington Component and to terminate this Agreement as set forth in **Section 7.1** of this Agreement. ### ARTICLE III. CONSTRUCTION OF REDEVELOPMENT PROJECT

**3.1 Acquisition of Property.** Developer represents that, as of the date of this Agreement, Developer, an affiliate of Developer, or a Related Entity, is the fee owner of the 1818 Washington Property. Any additional properties acquired by the Developer for completion of the Work shall be held in the name of the Developer, an affiliate of Developer, or a Related Entity and shall be subject to the terms, conditions and covenants contained herein and in the Redevelopment Plan immediately upon acquisition.

**3.2 Condemnation.** As of the date of this Agreement, it is not anticipated that the exercise of the power of eminent domain will be necessary to acquire any portion of the 1818 Washington Property in the Redevelopment Area.

**3.3 Relocation.** The Developer shall identify any Displaced Person (as defined in Ordinance No. 62481 of the City) that is entitled to relocation payments or relocation assistance under the Relocation Plan. The City shall, at the Developer's sole cost and expense, subject to reimbursement as a Reimbursable Redevelopment Project Cost in accordance with **Article IV** of this Agreement, coordinate such relocation payments and relocation assistance in accordance with the Relocation Plan.

**3.4 Developer to Construct the Work.** The Developer shall commence or cause the commencement of the construction of the Work within three hundred sixty (360) days of the date of this Agreement, which Work shall be constructed in a good and workmanlike manner in accordance with the terms of this Agreement and the Redevelopment Plan. The Developer shall substantially complete or cause the Work to be substantially complete not later than December 1, 2010 absent an event of Force Majeure. In the event of any delay caused by an event of Force Majeure as defined in **Section 7.5** of this Agreement, Developer shall be granted additional time to complete the Work, but under no circumstance shall such time to complete the Work extend beyond December 1, 2011.

The Developer may enter into or cause to be entered into one or more construction contracts to complete the Work. Prior to the commencement of construction of any portion of the Work, the Developer shall obtain or shall require that any of its contractors obtain workers' compensation, comprehensive public liability and builder's risk insurance coverage in amounts customary in the industry for similar type projects. The Developer shall require that such insurance be maintained by any of its contractors for the duration of the construction of such portion of the Work. To the extent that laws pertaining to prevailing wage and hour apply to any portion of the Work the Developer agrees to take all actions necessary to apply for the wage and hour determinations and otherwise comply with such laws.

**3.5 Governmental Approvals.** The City and, at its direction, the SLDC agree to employ reasonable and good faith efforts to cooperate with the Developer and to process and timely consider and respond to all applications for the Governmental Approvals as received, all in accordance with the applicable City ordinances and laws of the State of Missouri.

**3.6 Construction Plans; Changes.** The Construction Plans shall be prepared by a professional engineer or architect licensed to practice in the State of Missouri and the Construction Plans and all construction practices and procedures with respect to the Work shall be in conformity with all applicable state and local laws, ordinances and regulations. During the progress of the Work, the Developer may make such reasonable changes, including without limitation modification of the construction schedule, subject to the provisions of **Section 3.4**, including but not limited to, dates of commencement and completion (subject to the time limitations set forth in this Agreement), modification of the areas in which the Work is to be performed, relocation, expansion or deletion of items, revisions to the areas and scope of Work, and any and all such other changes as site conditions or orderly development may dictate or as may be necessary or desirable, in the sole determination of the Developer, to enhance the economic viability or eligibility for State and/or Federal historic tax credits of the 1818 Washington Component and as may be in furtherance of the general objectives of the Redevelopment Plan; provided that (a) the Developer shall comply with all laws, regulations and ordinances of the City and (b) prior to any material changes, the Developer shall obtain the advance written consent of the SLDC, which consent shall not be unreasonably withheld or delayed provided that the SLDC shall approve any such change that is required by a governmental authority to obtain historic tax credits for the 1818 Washington Component and to comply with the Federal and State Historic Tax Credit programs. For purposes of this **Section 3.6**, “material changes” shall mean (i) any change that could reasonably be expected to result in a decrease in the aggregate amount of TIF Revenues generated within the 1818 Washington Property to an amount less than 90% of the aggregate amount of TIF Revenues within the 1818 Washington Component as projected in that certain Cost Benefit Analysis for the Tudor Building/1818 Washington TIF Redevelopment Plan dated April 21, 2006 and revised September 6, 2006; or (ii) any change that would reduce or increase the final square footage of residential uses or reduce the final total square footage of commercial space of the 1818 Washington Component by more than ten percent (10%) of the estimated square footage of residential or commercial uses as set forth in this Agreement, the Redevelopment Plan and the Construction Plans.

**3.7 Certificate of Commencement of Construction.** The Developer shall furnish to the SLDC, with a copy to the Comptroller, a Certificate of Commencement of Construction, which certificate shall be submitted for the 1818 Washington Component in accordance with the schedule set forth in **Section 3.4** of this Agreement and in the form of **Exhibit C** attached hereto and incorporated herein by reference. The Certificate of Commencement of Construction shall be deemed accepted by the SLDC upon receipt of the same.

**3.8 Certificate of Substantial Completion.** Promptly after substantial completion of the Work, the Developer shall furnish to the City and the SLDC a Certificate of Substantial Completion. The Mayor or his designee and the SLDC shall, within thirty (30) days following delivery of the Certificate of Substantial Completion, carry out such inspections as it deems necessary to verify to its reasonable satisfaction the accuracy of the certifications contained in the Certificate of Substantial Completion. The Certificate of Substantial Completion shall be deemed accepted by the City and the SLDC unless, within thirty (30) days following delivery of the Certificate of Substantial Completion, the Mayor or his designee or SLDC furnishes the Developer with specific written objections to the status of the Work, describing such objections and the measures required to correct such objections in reasonable detail. In the case where the Mayor or his designee or SLDC, within thirty (30) days following delivery of the Certificate of Substantial Completion provides the Developer with specific written objections to the status of the Work, the Developer shall have such amount of time as is reasonably necessary to address such objections and when addressed shall re-submit the Certificate of Substantial Completion to the Mayor or his designee or the SLDC in accordance with this Section and the thirty (30) day period shall begin anew. Upon acceptance of the Certificate of Substantial Completion by the Mayor or his designee and the SLDC for the 1818 Washington Component, or upon the lapse of thirty (30) days after delivery thereof to the Mayor or his designee and the SLDC without any written objections thereto, the Developer may record the Certificate of Substantial Completion with the City’s Recorder of Deeds, and the same shall constitute evidence of the satisfaction of the Developer’s agreements and covenants to perform all the Work. The Certificate of Substantial Completion shall be in substantially the form attached as **Exhibit E**, attached hereto and incorporated by referenced herein.

#### ARTICLE IV. REIMBURSEMENT OF DEVELOPER COSTS

**4.1 City’s Obligation to Reimburse Developer.** Subject to the terms of the Note Ordinance and this Agreement, the City agrees to reimburse Developer for the verified Reimbursable Redevelopment Project Costs in the total amount not to exceed Seven Hundred Eighty Thousand Dollars (\$780,000) plus Issuance Costs as provided in **Section 5.2** of this Agreement, subject to the limitations of **Article IV** of this Agreement.

**4.2 Reimbursements Limited to Reimbursable Redevelopment Project Costs; Developer’s Right to Substitute.** Nothing in this Agreement shall obligate the City to issue TIF Notes or to reimburse the Developer for any cost that is not incurred pursuant to Section 99.820.1 of the TIF Act or that does not qualify as a “redevelopment project cost” under Section 99.805(14) of

the TIF Act. The Developer shall provide to the City (a) itemized invoices, receipts or other information evidencing such costs; and (b) a Certificate of Reimbursable Redevelopment Project Costs constituting certification by the Developer that such cost is eligible for reimbursement under the TIF Act. Within thirty (30) days of the City's receipt from the Developer of a Certificate of Reimbursable Redevelopment Project Costs, the City shall review and act upon such Certificate of Reimbursable Redevelopment Project Costs. The parties agree that each of the categories of costs set forth in **Exhibit B**, attached hereto and incorporated herein by this reference, shall constitute Reimbursable Redevelopment Project Costs which are eligible for reimbursement in accordance with the TIF Act and this Agreement. The Developer shall be entitled to reimbursement for Redevelopment Project Costs from any of the categories set forth in **Exhibit B** up to the maximum aggregate amount established in **Section 4.1** of this Agreement; provided, that the Developer shall be obligated to advance to the City the full amounts identified in **Section 2.2, clauses (i)-(v)**, of this Agreement. If the City determines that any cost identified as a Reimbursable Redevelopment Project Cost is not a "redevelopment project cost" under Section 99.805(14) of the TIF Act, the City shall so notify the Developer in writing within the thirty (30) day period referenced in this **Section 4.2**, identifying the ineligible cost and the basis for determining the cost to be ineligible, whereupon the Developer shall have the right to identify and substitute other Redevelopment Project Costs as Reimbursable Redevelopment Project Costs with a supplemental application for payment and the thirty (30) day period shall begin anew. If the City fails to approve or disapprove any Certificate of Reimbursable Redevelopment Project Costs within thirty (30) days after receipt thereof, the Certificate of Reimbursable Redevelopment Project Costs shall be deemed approved.

**4.3 Cost Savings and Excess Profits.** Within one hundred eighty (180) days after the submission of the Certificate of Substantial Completion by Developer in accordance with **Section 3.8** of this Agreement, Developer also shall furnish to the City for the City's review and approval, (a) a statement of Verified Total Project Costs, with evidence of billings and payments for each expenditure, including itemized invoices, receipts, and pay applications or other evidence of payment as appropriate for the type of cost; and (b) a statement of each and every post completion funding source for the 1818 Washington Component, which shall include Redevelopment Project sources, to the extent actually received for the 1818 Washington Component as of the date of the statement and the net present value of such sources: (i) documentation from accountants, tax credit authorities and tax credit purchasers evidencing the total amount of tax credits approved for the 1818 Washington Component and the net present value of proceeds available to the Developer from the sale of such tax credits; (ii) zero dollars (\$0.00) (the amount of developer equity in the Redevelopment Project); (iii) statements from each and every Project Lender as to the amount of amortizing debt financing secured by the 1818 Washington Property that will be available to the 1818 Washington Component upon commencement of operations; and (iv) a statement of all net sales proceeds derived from the sale of any portion of the 1818 Washington Component, which net sales proceeds shall be documented by copies of the seller's closing statements for such sales.

Provided, however, if the 1818 Washington Component includes a for-sale condominium component, the statements required by this **Section 4.3** shall not be submitted until a minimum of 95% of such individual condominium units included in the 1818 Washington Component have been sold, and such statements shall be submitted within sixty (60) days following such sale of 95% of such condominium units. If less than 100% of the condominium units have been sold at the time the statements required by this **Section 4.3** are submitted, the condominium units not sold shall be valued for purposes of the statements at the listing prices for such units, less the amount of the average sales commission on the units which have been sold.

Further provided, however, if the 1818 Washington Component includes a rental component, the statements required by this **Section 4.3** shall not be submitted until any construction debt on such component has been converted to permanent or semi-permanent mortgage debt.

The Developer shall document the anticipated date of receipt of any post completion funding source which has not been received by the 1818 Washington Component as of the date of the statements required by this **Section 4.3** and the present value of such source shall be determined using a 7% present value rate for the period of time between the date of the submission of the statements and the date of anticipated receipt of such source; but anticipated sales proceeds of condominiums not sold as of the date of such statements shall not be subject to a present value calculation and shall be included in the calculation below as a post completion funding source at the listing price as of the date of the statements less the sales commission described above.

Developer shall not include developer fees or consultant fees for any service typically performed by the developer in the Verified Total Project Costs. With respect to any other costs for any services provided by the Developer or any entity related to Developer, the amount of such costs shall not exceed the amount set forth in the Redevelopment Plan for such services. Moreover, if any of the owners, officers, principals or members of the construction contractor for the 1818 Washington Component are the same as any owner, officer, principal or member of Developer or general partner in the owner of the development, amounts allowed for aggregate contractor fees shall not exceed eighteen percent (18%) of construction costs as provided for in the Missouri Housing Development Commission's 2005 Qualified Allocation Plan for the Low Income Housing Tax Credit Program, and Developer shall

include documentation, including detailed invoices and receipts for payment, for each and every item of costs traceable to third parties with no relationship to Developer, in addition to summary pay applications submitted to Developer by the construction contractor.

To the extent that the sum of post completion funding sources exceeds the sum of (x) Verified Total Project Costs, (y) four percent (4%) of the Acquisition Costs; and (z) fifteen percent (15%) of all Verified Total Project Costs other than Acquisition Costs, Developer hereby agrees that the maximum amount of Reimbursable Redevelopment Project Costs for which the Developer shall be reimbursed by the City as provided for in **Section 4.1** of this Agreement and the maximum amount of any 1818 Washington TIF Notes which shall be issued by the City in accordance with **Section 5.2** of this Agreement shall be reduced by an amount in the aggregate equal to seventy-five percent (75%) of the total amount of such excess, as calculated by the City in accordance herewith. Developer agrees that the City may discharge any 1818 Washington TIF Note already issued at the time of such calculation in an amount equal to seventy-five percent (75%) of the total excess.

**4.4 City's Obligations Limited to Special Allocation Fund and Bond Proceeds.** Notwithstanding any other term or provision of this Agreement, TIF Notes issued by the City to the Developer for Reimbursable Redevelopment Project Costs are payable only from the Special Allocation Fund and from Bond Proceeds, if any, and from no other source. The City has not pledged its full faith and credit relative to the City's obligation to issue the TIF Obligations or to pay any Reimbursable Redevelopment Project Costs. The TIF Obligations shall be special, limited obligations of the City, and shall not constitute debt to the City within any constitutional or statutory meaning of the word "debt."

#### ARTICLE V. TIF OBLIGATIONS

**5.1 Conditions Precedent to the Issuance of 1818 Washington TIF Notes.** No 1818 Washington TIF Notes shall be issued until such time as the City has (i) accepted a Certificate of Substantial Completion in accordance with the procedures set forth in **Section 3.8** of this Agreement; (ii) approved a Certificate of Reimbursable Redevelopment Project Costs in substantially the form of **Exhibit D**, attached hereto and incorporated herein by reference, in accordance with the procedures set forth in **Section 4.2** of this Agreement; (iii) obtained an opinion of Bond Counsel regarding the taxable nature of the 1818 Washington TIF Notes; (iv) received the full payment of all advances required to be paid under **Section 2.2** of this Agreement; and (v) received such other documentation as the City shall reasonably require of Developer in order for the City to obtain an opinion of Bond Counsel as required by this **Section 5.1**.

**5.2 Issuance of TIF Notes.** The City agrees to issue one or more TIF Notes as provided in this Agreement and the Note Ordinance to reimburse the Developer for Reimbursable Redevelopment Project Costs up to the maximum amount established in **Section 4.1** of this Agreement, subject to the limitations of **Article IV** of this Agreement. The 1818 Washington TIF Notes shall be in the form attached to the Note Ordinance as Exhibit B-2, provided that if the Note Ordinance is repealed or otherwise amended to amend such form of TIF Note, the TIF Notes shall not be amended for the purposes of this Agreement without the written consent of Developer.

**5.2.1 Terms.** Each TIF Note shall bear interest at a fixed rate per annum determined on the date that is not less than ten (10) business days and not more than sixty (60) days prior to the scheduled closing date for the issuance of the TIF Notes (the "Pricing Date") based on the municipal yield curve for general obligation bonds (the "MMD") compiled by Municipal Market Data Line ® (or its successors) and published by Thompson Financial, an operating unit of The Thompson Corporation (or its successors), using the MMD yield published as of the Issuance Date for general obligation bonds rated "AAA" that mature in the same year as the TIF Notes, (i) plus four percent (4%) if the interest on the TIF Notes (in the opinion of Bond Counsel) is not exempt from federal income taxation (the "Taxable Rate"), or (ii) plus two percent (2.0%) if the interest on the TIF Notes (in the opinion of Bond Counsel) is exempt from federal income taxation (the "Tax Exempt Rate"); provided, in no event shall the interest rate on the TIF Notes exceed ten percent (10%) per annum. All TIF Notes shall have a stated maturity of the Maturity Date.

**5.2.2 Procedures for Issuance of TIF Notes.** Within a reasonable period of time but not to exceed ninety (90) days of Developer's satisfaction of the conditions of **Section 5.1** of this Agreement, the City shall issue a TIF Note to an Original Purchaser evidencing reimbursement of Reimbursable Redevelopment Project Costs. Notwithstanding anything contained in this Agreement to the contrary, upon the acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance by the City of a TIF Note as provided in this **Section 5.2.2**, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Notes and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer in full for such costs from

the amounts deemed to be on deposit in the Project Fund from time to time.

**5.2.3 Special Mandatory Redemption of TIF Notes.** All TIF Notes are subject to special mandatory redemption by the City, in whole at any time or in part on each May 1 and November 1 (each, a "Payment Date") occurring after the acceptance by the City of the Certificate of Substantial Completion at a redemption price equal to 100% of the principal amount being redeemed, together with the accrued interest thereon to the date fixed for redemption.

**5.3 Issuance of TIF Bonds.**

**5.3.1** The City may, in its sole and absolute discretion, issue, or cause to be issued, TIF Bonds at any time in an amount sufficient to refund all or a portion of the outstanding 1818 Washington TIF Notes.

**5.3.2** Upon receipt of a written request by Developer and upon the City's underwriter's recommendation in favor of issuing TIF Bonds and recommendation of the principal amount thereof based on the criteria set forth below, the City shall use its best efforts to cause the Authority to issue TIF Bonds as described in this Section. The aggregate gross cash proceeds from the sale of the TIF Bonds before payment of Issuance Costs, together with any interest accrued thereon ("Bond Proceeds") of such TIF Bonds will be finally determined by the City after receiving the underwriter's recommendation based on the criteria set forth below. The City shall not be obligated to cause the Authority to issue such TIF Bonds unless the underwriter determines that all of the following criteria are satisfied as of the date of issuance of such bonds, unless such criteria are waived by the City's underwriter. Developer shall not have any liability for any costs associated with the issuance of TIF Bonds but shall bear its own costs and expenses, including any attorneys' fees and expenses, that Developer may incur in complying with this Section. Notwithstanding anything in this Section to the contrary, Developer shall be liable for all costs incurred by the City or the Authority in the event the Developer has requested the issuance of bonds and the City's underwriter has determined that such bonds cannot be issued at such time.

**5.3.2.1** Criteria for Issuance. The underwriter's recommendation for issuance of TIF Bonds and the principal amount thereof shall be based on the following criteria:

- (i) Acceptance by the City of the Certificate of Substantial Completion for the 1818 Washington Component;
- (ii) Review of projections of 1818 Washington Revenues available for debt service as proposed by an independent qualified consultant. Such projections must show that (A) if all available 1818 Washington Revenues were to be applied to the immediate repayment of the TIF Bonds, the TIF Bonds would reasonably be anticipated to be retired within twenty-three (23) years from the effective date of the Approving Ordinance, and (B) based on a maturity date twenty-three (23) years from the effective date of the Approving Ordinance, the TIF Bonds are reasonably likely to achieve debt service coverage ratio reasonably acceptable to the City's underwriter;
- (iii) Developer's documentation of stabilization of the 1818 Washington Component for a minimum period of two (2) years after substantial completion as evidenced in a report to the City prepared by a qualified independent consultant to be paid for by the City, which report also sets forth TIF revenue projections for the 1818 Washington Component in connection with the issuance of the TIF Bonds;
- (iv) The aggregate net projected debt service on the TIF Bonds (taking into account the principal portion of the TIF Bonds that are issued to establish a reserve fund and to pay Issuance Costs, and including any reserve fund earnings) will be lower than the net average annual debt service on the outstanding 1818 Washington TIF Notes, unless the Developer voluntarily elects to defer or forgive principal of and/or interest on the 1818 Washington TIF Notes in an amount necessary to make the aggregate net projected debt service on the TIF Bonds lower than the net average annual debt service on the outstanding 1818 Washington TIF Notes; and
- (v) The TIF Bonds can be sold at an aggregate net interest cost which is less than the aggregate net interest cost of the 1818 Washington TIF Notes to be redeemed.

**5.4 Application of TIF Bond Proceeds.** Proceeds of any TIF Bonds shall be applied:

**5.4.1** To the payment of costs relating to the issuance of the TIF Bonds;

**5.4.2** To the payment of outstanding principal of and interest on the 1818 Washington TIF Notes to be refunded;

**5.4.3** To the payment of capitalized interest on the TIF Bonds; and

**5.4.4** To the establishment of a debt service reserve fund for the TIF Bonds in a reasonable amount of the principal amount of TIF Bonds to be issued, as to be determined by the City's underwriter.

**5.5 Cooperation in the Issuance of TIF Obligations.** Developer covenants to cooperate and take all reasonable actions necessary to assist the City and its Bond Counsel, the Authority, underwriters and financial advisors in the preparation of offering statements, private placement memorandum or other disclosure documents and all other documents necessary to market and sell the TIF Obligations, including disclosure of tenants of the Redevelopment Area and the non-financial terms of the leases between Developer and such tenants. Developer will not be required to disclose to the general public or any investor any proprietary or confidential information, including financial information, pertaining to Developer, but upon the execution of a confidentiality agreement acceptable to Developer, Developer will provide such information to the City's financial advisors, underwriters and their counsel to enable such parties to satisfy their due diligence obligations. Developer shall make such compliance obligation a covenant running with the land, enforceable as if any subsequent transferee thereof were originally a party to and bound by this Agreement.

**5.6 Subordinate Notes.** If the amount of TIF Bonds issued pursuant to this Agreement is insufficient to refund all of the outstanding 1818 Washington TIF Notes, the 1818 Washington TIF Notes remaining outstanding shall be redeemed by the issuance of notes subordinate to the TIF Bonds (the "Subordinate Notes"). Each Subordinate Note shall have the same maturity and have the same outstanding principal amount and the same interest rate as the 1818 Washington TIF Note it redeems. All such Subordinate Notes shall be payable as to principal and interest according to the terms set forth in **Sections 5.4 and 6.3** of this Agreement.

**5.7 City to Select Underwriter and Financial Advisor; Term and Interest Rate.** The City shall have the right to select the designated underwriter (and such financial advisors and consultants as the underwriter and the City deem necessary for the issuance of the TIF Bonds) and underwriter's counsel. The final maturity of the TIF Bonds shall not exceed the maximum term permissible under the TIF Act. The TIF Bonds shall bear interest at such rates, shall be subject to redemption and shall have such terms as the City shall determine in its sole discretion.

## **ARTICLE VI. SPECIAL ALLOCATION FUND; COLLECTION AND USE OF TIF REVENUES**

**6.1 Creation of Special Allocation Fund.** The City agrees to cause its Comptroller or other financial officer to maintain the Special Allocation Fund, including a "PILOTs Account," an "EATs Account," and such further accounts or sub-accounts as are required by this Agreement or as the Comptroller may deem appropriate in connection with the administration of the Special Allocation Fund pursuant to this Agreement. Subject to the requirements of the TIF Act and, with respect to Economic Activity Taxes, subject to annual appropriation by the Board of Aldermen, the City will promptly upon receipt thereof deposit all Payments in Lieu of Taxes into the PILOTs Account and all Economic Activity Taxes into the EATs Account.

**6.2 Certification of Base for PILOTS and EATS.**

**6.2.1** Upon the reasonable written request of the City, Developer shall use its best efforts to provide or cause to be provided to the Comptroller or its authorized representative any documents necessary for the City to calculate the base for PILOTs and EATs including, but not limited to: (i) the address and locator number of all parcels of real property located within the Redevelopment Area; and (ii) information related to payment of utility taxes by any businesses, owners or other occupants of the Redevelopment Area in the calendar year ending December 31, 2005.

**6.2.2** Within ninety (90) days after execution of the Redevelopment Agreement, the City shall provide to the Developer (i) a certificate of the City Assessor's calculation of the total initial equalized assessed valuation of the

taxable real property within the Redevelopment Area and the 1818 Washington Property based upon the most recently ascertained equalized assessed valuation of each taxable lot, block, tract, or parcel of real property within the Redevelopment Area; and (ii) a certification of the amount of revenue from taxes, penalties and interest which are imposed by the City and other taxing districts and which are generated by economic activities within the Redevelopment Area and the 1818 Washington Property for the calendar year ending December 31, 2005, but excluding those personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri, taxes levied for the purpose of public transportation, or licenses, fees or special assessments identified as excluded in Section 99.845.3 of the TIF Act.

### **6.3 Application of Available Revenues.**

The City hereby agrees for the term of this Agreement to apply the Available Revenues and any taxes, fees or assessments subsequently enacted and imposed in substitution therefor and allocable to the Special Allocation Fund under the TIF Act or this Agreement to the repayment of TIF Notes as provided in the Note Ordinance and this Agreement.

Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Comptroller and the SLDC, and payment in full of any other amounts required to be paid under the Note Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

If monies available in Special Allocation Fund are insufficient to reimburse the City or the Developer as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon.

The City agrees that it will comply with the Charter of The City of St. Louis, Article XVI, Section 3 for each fiscal year that TIF Obligations are outstanding and the City will request an appropriation of all Available Revenues on deposit in the Special Allocation Fund for application to the payment of the principal of (including, but not limited to, payment of a premium, if any) and interest on the TIF Obligations.

**6.4 Cooperation in Determining TIF Revenues.** The City and the Developer agree to cooperate and take all reasonable actions necessary to cause the TIF Revenues to be paid into the Special Allocation Fund, including, but not limited to, the City's enforcement and collection of all such payments through all reasonable and ordinary legal means of enforcement.

**6.5 Obligation to Report TIF Revenues.** The Developer shall cause any purchaser or transferee of real property located within the 1818 Washington Property, and any lessee or other user of real property located within the 1818 Washington Property required to pay 1818 Washington Revenues, shall use all reasonable efforts to timely fulfill such obligations as are required by **Section 6.4** of this Agreement. So long as any of the TIF Obligations are outstanding, the Developer shall cause such obligations to be covenants running with the land, which covenants shall be enforceable as if such purchaser, transferee, lessee or other user of such real property were originally a party to and bound by this Agreement.

**6.6 Notice to City of Transfer.** The Developer agrees to notify the City in writing of any sale, transfer or other disposition of the 1818 Washington Property or any interest therein as permitted by **Section 7.3.2** of this Agreement at least fifteen (15) days prior to such sale, transfer or other disposition. Said notice shall specify the name and address of the person so acquiring any or all of the 1818 Washington Property or any interest therein and shall identify the 1818 Washington Property to be sold, transferred or otherwise disposed, whether by voluntary transfer or otherwise. Notwithstanding the foregoing, Developer shall not be required to notify the City of the lease or transfer of a residential unit, commercial unit or parking space in the ordinary course of business except as may be required by **Section 4.3**.

## **ARTICLE VII. GENERAL PROVISIONS**

**7.1 Developer's Right of Termination.** At any time prior to the delivery of a Certificate of Substantial Completion, the Developer may, by giving written notice to the City, abandon the 1818 Washington Component and terminate this Agreement and the Developer's obligations hereunder if the Developer determines, in its sole discretion, that the 1818 Washington Component is no longer economically feasible. Upon such termination, the City shall have no obligation to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

**7.2 City's Right of Termination.** The City may terminate this Agreement if (i) the Developer fails to submit to submit to the MBE/WBE Compliance Officer a copy of Developer's MBE/WBE Subcontractor's List and its MBE/WBE Utilization Statement within one hundred twenty (120) days of the date of this Agreement; provided, however, that termination under this Section 7.2(i) may be waived in the sole discretion of the MBE/WBE Compliance Officer; or (ii) the Developer fails to submit its Certificate of Substantial Completion, acceptable to the City, in accordance with **Section 3.8** of this Agreement and the schedule set forth in **Section 3.4** of this Agreement. Upon such termination, the City shall have no obligation to issue a Tudor TIF Note or to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

**7.3 Successors and Assigns.**

**7.3.1 Binding Effect.** This Agreement shall be binding on and shall inure to the benefit of the parties named herein and their respective heirs, administrators, executors, personal representatives, successors and assigns.

**7.3.2 Assignment or Sale.** Without limiting the generality of the foregoing, all or any part of the 1818 Washington Property or any interest therein may be sold, transferred, encumbered, leased, or otherwise disposed of at any time, and the rights of the Developer named herein or any successors in interest under this Agreement or any part hereof may be assigned at any time before, during or after redevelopment of the Redevelopment Project, whereupon the party disposing of its interest in the 1818 Washington Property or assigning its interest under this Agreement shall be thereafter released from further obligation under this Agreement (although any such 1818 Washington Property so disposed of or to which such interest pertains shall remain subject to the terms and conditions of this Agreement), provided, however, that until substantial completion of the 1818 Washington Component, the fee title to the 1818 Washington Property shall not be sold, transferred or otherwise disposed of and the rights, duties and obligations of the Developer under this Agreement shall not be assigned in whole or in part without the prior written approval of the City, which approval shall not be unreasonably withheld or delayed upon a reasonable demonstration by the Developer of the proposed transferee's or assignee's experience and financial capability to undertake and complete such portions of the Work and perform the Developer's obligations under this Agreement, all in accordance with this Agreement. Notwithstanding anything herein to the contrary, the City hereby approves, and no prior consent shall be required in connection with: (a) the right of the Developer to encumber or collaterally assign its interest in the 1818 Washington Property or any portion thereof or its rights, duties and obligations under this Agreement to secure loans, advances or extensions of credit to finance or from time to time refinance all or any part of the Redevelopment Project Costs with respect to the 1818 Washington Component, or the right of the holder of any such encumbrance or transferee of any such collateral assignment (or trustee or agent on its behalf) to transfer such interest by foreclosure or transfer in lieu of foreclosure under such encumbrance or collateral assignment; and (b) the right of Developer to transfer the 1818 Washington Property or to assign the Developer's rights, duties and obligations under this Agreement to any Related Entity; (c) the right of the Developer to sell, lease or transfer a residential unit, commercial unit or parking space in the ordinary course of business; provided that in each such event (i) the Developer named herein (1818 TIF, Inc.) shall remain liable hereunder for the substantial completion of the Redevelopment Project, subject, however, to Developer's right of termination pursuant to **Section 7.1** of this Agreement, and shall be released from such liability hereunder only upon substantial completion of the Redevelopment Project and (ii) the Developer provides to the City fifteen (15) days' advance written notice of the proposed assignment or transfer other than of the sale or lease of a residential unit, commercial unit or parking space in the ordinary course of business which shall require no notice except as required by **Section 4.3**.

**7.3.3 Assignment or Sale to Exempt Organization.** Prior to any sale, transfer or other disposition of all or any portion of the 1818 Washington Property or any interest therein to an organization exempt from payment of ad valorem property taxes, such organization shall be required to agree not to apply for an exemption from payment of such property taxes for a period ending on the earlier of the date that all TIF Obligations are paid in full or twenty-three (23) years from the effective date of the Approving Ordinance. The Developer shall make this requirement a covenant running with the land, enforceable for such period as if such purchaser or other transferee or possessor thereof were originally a party to and bound by this Agreement.

**7.4 Remedies.** Except as otherwise provided in this Agreement and subject to the Developer's and the City's respective rights of termination, in the event of any default in or breach of any term or conditions of this Agreement by either party, or any successor, the defaulting or breaching party (or successor) shall, upon written notice from the other party specifying such default or breach, proceed immediately to cure or remedy such default or breach, and shall, in any event, within thirty (30) days after receipt of notice, cure or remedy such default or breach. In the event that the defaulting or breaching party (or successor) diligently and in good faith commences to cure or remedy such default or breach but is unable to cure or remedy such default or breach within

thirty (30) days after receipt of notice, the defaulting or breaching party (or successor) shall, prior to the end of such thirty (30) days, provide notice to the other party that it has in good faith commenced to cure or remedy such default or breach, whereupon the defaulting or breaching party (or successor) shall have an additional thirty (30) days to cure or remedy such default or breach. In case such cure or remedy is not taken or not diligently pursued, or the default or breach shall not be cured or remedied prior to the end of the additional thirty (30) day period, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including without limitation proceedings to compel specific performance by the defaulting or breaching party.

**7.5 Force Majeure.** Neither the City nor the Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended in the event of any delay caused by force majeure (except as expressly limited in **Section 3.4**), including without limitation damage or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; lack of issuance of any permits and/or legal authorization by the governmental entity necessary for the Developer to proceed with construction of the Work or any portion thereof; shortage or delay in shipment of material or fuel; acts of God; unusually adverse weather or wet soil conditions; or other like causes beyond the parties' reasonable control, including without limitation any litigation, court order or judgment resulting from any litigation affecting the validity of the Redevelopment Plan, the Redevelopment Project or the TIF Obligations or this Agreement; provided that (i) such event of force majeure shall not be deemed to exist as to any matter initiated or sustained by the Developer in bad faith, and (ii) the Developer notifies the City in writing within thirty (30) days of the commencement of such claimed event of force majeure.

**7.6 Notices.** All notices, demands, consents, approvals, certificates and other communications required by this Agreement to be given by either party hereunder shall be in writing and shall be hand delivered or sent by United States first class mail, postage prepaid, addressed to the appropriate party at its address set forth below, or at such other address as such party shall have last designated by notice to the other. Notices, demands, consents, approvals, certificates and other communications shall be deemed given when delivered or three days after mailing; provided, however, that if any such notice or other communication shall also be sent by telecopy or fax machine, such notice shall be deemed given at the time and on the date of machine transmittal if the sending party receives a written send verification on its machines and forwards a copy thereof with its mailed or courier delivered notice or communication.

**7.7 Conflict of Interest.** No member of the Board of Aldermen, the TIF Commission, or any branch of the City's government who has any power of review or approval of any of the Developer's undertakings, or of the City's contracting for goods or services for the Redevelopment Area, shall participate in any decisions relating thereto which affect that member's personal interests or the interests of any corporation or partnership in which that member is directly or indirectly interested. Any person having such interest shall immediately, upon knowledge of such possible conflict, disclose, in writing, to the Board of Aldermen the nature of such interest and seek a determination by the Board of Aldermen with respect to such interest and, in the meantime, shall not participate in any actions or discussions relating to the activities herein proscribed.

**7.8 Damage or Destruction of Redevelopment Project.** In the event of total destruction or damage to the Redevelopment Project by fire or other casualty, during construction or thereafter during the term of this Agreement so long as any TIF Notes are outstanding and the Developer or a Related Entity owns the 1818 Washington Property, the Developer shall determine and advise the City in writing within one year of such destruction or damage whether to restore, reconstruct and repair any such destruction or damage so that the Redevelopment Project will be completed or rebuilt in accordance with the Redevelopment Plan and this Agreement. Should the Developer determine not to restore, reconstruct and repair, all unaccrued liability of the City for any payments of principal of or interest on the TIF Notes shall immediately terminate and the Developer shall promptly surrender the TIF Notes to the City for cancellation. In the event of such total destruction or damage during the term of this Agreement and after any TIF Bonds are issued or the issuance of a TIF Note to a purchaser other than the Developer or a Related Entity, the Developer shall, at the City's option after consultation with the Developer, tender to the City that portion of the insurance proceeds, if any, to which Developer is entitled, after satisfaction of any terms or obligations of any deed of trust, promissory note or financing agreement entered into by the Developer for the financing of all or any part of the Redevelopment Project, from any fire or casualty insurance policy in an amount equal to the outstanding principal amount of the TIF Bonds or TIF Notes, plus accrued interest thereon to be deposited into the Special Allocation Fund.

**7.9 Inspection.** The City may conduct such periodic inspections of the Work as may be generally provided in the building code of the City. In addition, the Developer shall allow other authorized representatives of the City reasonable access to the Work site from time to time upon advance notice prior to the completion of the Work for inspection thereof. The Developer shall not unreasonably deny the City and its officers, employees, agents and independent contractors the right to inspect, upon request, all architectural, engineering, demolition, construction and other contracts and documents pertaining to the construction of the Work as the City determines is reasonable and necessary to verify the Developer's compliance with the terms of this Agreement.

**7.10 Choice of Law.** This Agreement shall be taken and deemed to have been fully executed, made by the parties in, and governed by the laws of State of Missouri for all purposes and intents.

**7.11 Entire Agreement; Amendment.** The parties agree that this Agreement constitutes the entire agreement between the parties and that no other agreements or representations other than those contained in this Agreement have been made by the parties. This Agreement shall be amended only in writing and effective when signed by the authorized agents of the parties.

**7.12 Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall constitute one and the same instrument.

**7.13 Severability.** In the event any term or provision of this Agreement is held to be unenforceable by a court of competent jurisdiction, the remainder shall continue in full force and effect, to the extent the remainder can be given effect without the invalid provision.

**7.14 Representatives Not Personally Liable.** No elected or appointed official, agent, employee or representative of the City shall be personally liable to the Developer in the event of any default or breach by any party under this Agreement, or for any amount which may become due to any party or on any obligations under the terms of this Agreement.

**7.15 Attorney's Fees.** In any dispute arising out of or relating to this Agreement, including any action to enforce this Agreement against a defaulting or breaching party pursuant to **Section 7.4**, the prevailing party shall recover from the non-prevailing party the prevailing party's attorney's fees, in addition to any other damages to which it is entitled.

**7.16 Actions Contesting the Validity and Enforceability of the Redevelopment Plan.** In the event a third party brings an action against the City or the City's officials, agents, attorneys, employees or representatives contesting the validity or legality of the Redevelopment Area, the Redevelopment Plan, the TIF Obligations, or the ordinance approving this Agreement, Developer may, at its option, join the City in defense of such claim or action. The parties expressly agree that, so long as no conflicts of interest exist between them with regard to the handling of such litigation, the same attorney or attorneys may simultaneously represent the City and the Developer in any such proceeding. The Developer shall be responsible for all reasonable and necessary costs and expenses incurred by the City and by the Developer in connection with the defense of such claim or action, provided that if the City does not approve a settlement or compromise which the Developer would agree to, the Developer shall not be responsible for any costs or expenses incurred thereafter in the defense of such claim or action. All cost of any such defense, whether incurred by the City or the Developer, shall be deemed to be Reimbursable Redevelopment Project Costs and reimbursable from any amounts in the Special Allocation Fund, subject to **Article IV** of this Agreement.

**7.17 Release and Indemnification.** The indemnifications and covenants contained in this Section shall survive termination or expiration of this Agreement.

**7.17.1** The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable to the Developer for damages or otherwise in the event that all or any part of the TIF Act, or any ordinance adopted in connection with either the TIF Act, this Agreement or the Redevelopment Plan, is declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof.

**7.17.2** The Developer releases from and covenants and agrees that the City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City, its governing body members, officers, agents, attorneys, employees and independent contractors against any and all claims, demands, liabilities and costs, including reasonable attorneys' fees, costs and expenses, arising from

damage or injury, actual or claimed (excluding consequential and punitive damages), to persons or property occurring or allegedly occurring as a result of any negligent or malicious acts or omissions of the Developer, its governing body members, officers, agents, attorneys, employees and independent contractors, in connection with its or their activities conducted pursuant to this Agreement.

**7.17.3** The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for any damage or injury to the persons or property of the Developer or its officers, agents, employees, independent contractors or any other persons who may be about the 1818 Washington Property or the Work except for matters arising out of the gross negligence or willful misconduct of the City and its governing body members, officers, agents, attorneys, employees and independent contractors.

**7.17.4** All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its governing body members, officers, agents, attorneys, employees or independent contractors in their individual capacities.

**7.17.5** No governing body members, officers, agents, attorneys, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a default or breach by any party under this Agreement or (ii) for any amount or any TIF Notes which may become due to any party under the terms of this Agreement.

**7.17.6** The Developer releases from and covenants and agrees that the City, its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold the City, its governing body members, officers, agents, attorneys, employees and independent contractors, harmless from and against any and all third party suits, interest, claims and cost of reasonable attorneys fees incurred by any of them, resulting from, arising out of, or in any way connected with: (i) the enforcement of this Agreement, the validity of the TIF Obligations or the enforcement or validity of any other agreement or obligation made in connection therewith and their approvals (excluding opinions of counsel and of the City's financial advisors whenever such claim is based on such party's own negligence); (ii) the negligence or willful misconduct of the Developer or its officers, agents, employees or independent contractors in connection with the design, management, development, redevelopment and construction of the Work, or (iii) the compliance by the Developer with all applicable state, federal and local environmental laws, regulations and ordinances as applicable to the 1818 Washington Property, to the extent such condition existed prior to the acquisition thereof by the Developer. The foregoing release and indemnification shall not apply in the case of such liability arising directly out of the negligence or malicious acts or omissions of the City or its governing body members, officers, agents, attorneys, employees and independent contractors in connection with its or their activities conducted pursuant to this Agreement or which arises out of matters undertaken by the City following termination of this Agreement as to the Redevelopment Project or any particular portion thereof.

**7.18 Survival.** Notwithstanding the expiration or termination or breach of this Agreement by either party, the agreements contained in **Section 2.2, clauses (iii)-(v), Article VI, Sections 7.10, 7.11, 7.12, 7.13, 7.14, 7.15, 7.16, 7.17 and Article VIII** of this Agreement shall, except as otherwise expressly set forth herein, survive such early expiration or early termination of this Agreement by either party.

**7.19 Maintenance of the Property.** The Developer shall remain in compliance with all provisions of the City's ordinances relating to maintenance and appearance of the 1818 Washington Property during the construction of the Redevelopment Project or any portion thereof. Upon substantial completion of the Redevelopment Project and so long as any TIF Obligations are outstanding, the Developer or its successor(s) in interest, as owner or owners of the affected portion(s) of the 1818 Washington Property, shall, during the remainder of the term of this Agreement (but subject to any delay caused by an event of force majeure as provided in **Section 7.5** of this Agreement), maintain or cause to be maintained the buildings and improvements within the Redevelopment Area which it owns in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations. If there are separately-owned or ground leased parcels of real estate on the 1818 Washington Property during the term of this Agreement, each owner or lessee as a successor in interest to the Developer shall maintain or cause to be maintained the buildings and improvements on its parcel in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations.

**7.20 Non-Discrimination.** The Developer agrees that, during the term of this Agreement and as an independent covenant running with the land, there shall be no discrimination upon the basis of race, creed, color, national origin, sex, age, marital status or physical handicap in the sale, lease, rental, occupancy or use of any of the facilities under its control within the

Redevelopment Area or any portion thereof and said covenant may be enforced by the City or the United States of America or any of their respective agencies. The Developer further agrees that a provision containing the covenants of this paragraph shall be included in all agreements pertaining to the lease or conveyance or transfer (by any means) of all or a portion of the Redevelopment Project and any of the facilities under its control in the Redevelopment Area. Except as provided in this Section, the Developer shall have no obligation to enforce the covenants made by any transferee or lessee, tenant, occupant or user of any of the facilities within the Redevelopment Area.

**7.21 Fair Employment.** Without limiting any of the foregoing, the Developer voluntarily agrees to observe the Equal Opportunity and Nondiscrimination Guidelines set forth as Exhibit F, attached hereto and incorporated herein by reference. By execution of this Agreement, the Developer certifies and agrees that it is under no contractual or other disability that would materially impair its ability to observe the Guidelines set forth as Exhibit F, attached hereto and incorporated herein by reference.

**7.22 MBE/WBE Compliance**

The Developer shall comply with the Mayor’s Executive Order #28, as amended, during the design and construction of the Redevelopment Project and with respect to ongoing services provided by third parties to the Developer in connection with the Redevelopment Project.

**ARTICLE VIII.  
REPRESENTATIONS OF THE PARTIES**

**8.1 Representations of the City.** The City hereby represents and warrants that it has full constitutional and lawful right, power and authority, under current applicable law, to execute and deliver and perform the terms and obligations of this Agreement, including without limitation the right, power and authority to issue and sell the TIF Notes, and all of the foregoing have been or will be, upon adoption of ordinances authorizing the issuance of the TIF Notes, duly and validly authorized and approved by all necessary City proceedings, findings and actions. Accordingly, this Agreement constitutes the legal, valid and binding obligation of the City, enforceable in accordance with its terms.

**8.2 Representations of the Developer.** The Developer hereby represents and warrants it has full power to execute and deliver and perform the terms and obligations of this Agreement and all of the foregoing has been duly and validly authorized by all necessary corporate proceedings. This Agreement constitutes the legal, valid and binding obligation of the Developer, enforceable in accordance with its terms.
