WHEREAS, Green Street Development, Group, LLC, a Missouri limited liability company (the “Developer”), prepared a plan for redevelopment titled the “1549-1601 S. WHEREAS, the Board of Alderman hereby recognizes that redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan is of economic significance to the City, and will (i) serve to eliminate the conditions that cause the Redevelopment Area to be blighted, (ii) assist physical, economic, and social development of the community, (iii) encourage a sense of community identity, safety and civic pride, (iv) eliminate incompatible land uses, (v) eliminate structurally substandard buildings, and (vi) eliminate impediments to land disposition and development, and therefore, the Redevelopment Projects, through tax increment financing, will serve to benefit the general welfare of the City; and

WHEREAS, the Developer has demonstrated that the Redevelopment Projects would not reasonably be anticipated to be

developed without the adoption of tax increment financing and, therefore, redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan is not feasible and would not otherwise be completed; and

WHEREAS, the Board of Aldermen has received the recommendations of the TIF Commission regarding the Redevelopment Area and the Redevelopment Plan and finds that it is desirable and in the best interests of the City to designate the Redevelopment Area as a “redevelopment area” as provided in the TIF Act, adopt the Redevelopment Plan and Redevelopment Projects in order to encourage and facilitate the redevelopment of the Redevelopment Area; and

WHEREAS, the Redevelopment Area qualifies for the use of tax increment financing to alleviate the conditions that qualify it as a “blighted area” as provided in the TIF Act and as set forth herein; and

WHEREAS, the property constituting the Redevelopment Area is underutilized and/or vacant with deteriorated site improvements, unsanitary and unsafe conditions, improper subdivision or obsolete platting, and conditions exist which endanger lives or property by fire or other causes, thus discouraging investment and encouraging crime and vagrancy, and the Redevelopment Area represents a menace to the public health, safety, morals or welfare, a social and economic liability to the City and displays a lack of growth and development by private enterprise; and

WHEREAS, it is necessary and desirable and in the best interest of the City to approve the Redevelopment Projects to allow the redevelopment of the area as outlined in the Redevelopment Plan; and

WHEREAS, it is necessary and desirable and in the best interest of the City to adopt tax increment allocation financing within the Redevelopment Area and to establish a special allocation fund for the Redevelopment Area in order to provide for the promotion of the general welfare through redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan which redevelopment includes, but is not limited to, assistance in the physical, economic, and social development of the City of St. Louis, providing for a stabilized population and plan for the optimal growth of the City of St. Louis, encouragement of a sense of community identity, safety and civic pride, and the elimination of impediments to land disposition and development in the City of St. Louis.

BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. The Board of Aldermen hereby adopts the foregoing recitals as findings and makes the following additional findings:

A. The Redevelopment Area on the whole is a “blighted area”, as defined in Section 99.805 of the TIF Act, and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing. This finding includes, the Redevelopment Plan sets forth, and the Board of Aldermen hereby finds and adopts by reference: (i) a detailed description of the factors that qualify the Redevelopment Area as a “blighted area” and (ii) an affidavit, signed by the Developer and submitted with the Redevelopment Plan, attesting that the provisions of Section 99.810.1(1) of the TIF Act have been met, which description and affidavit are incorporated herein as if set forth herein.

B. The Redevelopment Plan conforms to the comprehensive plan for the development of the City as a whole.

C. In accordance with the TIF Act, the Redevelopment Plan states the estimated dates of completion of the Redevelopment Projects and retirement of the financial obligations issued to pay for certain redevelopment project costs and these dates are twenty three (23) years or less from the date of approval of the Redevelopment Projects.

D. A plan has been developed for relocation assistance for businesses and residences as set forth in Ordinance No. 62481 adopted December 20, 1991.

E. A cost-benefit analysis showing the economic impact of the Redevelopment Plan on each taxing district which is at least partially within the boundaries of the Redevelopment Area is on file with the St. Louis Development Corporation, which cost-benefit analysis shows the impact on the economy if the Redevelopment Projects are not built, and if the Redevelopment Projects are built pursuant to the Redevelopment Plan as well as a fiscal impact study on every affected political subdivision and sufficient information for the TIF Commission to evaluate whether the Redevelopment Projects are financially feasible.

F. Redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan is not financially feasible without the assistance of tax increment financing and would not otherwise be completed.

G. The Redevelopment Plan does not include the initial development or redevelopment of any “gambling establishment” as that term is defined in Section 99.805(6) of the TIF Act.

H. The Redevelopment Area includes only those parcels of real property and improvements thereon directly and substantially benefitted by the proposed Redevelopment Project.

SECTION TWO. The Redevelopment Area described in the Redevelopment Plan is hereby designated as a “redevelopment area” as defined in Section 99.805(11) of the TIF Act.

SECTION THREE. The Redevelopment Plan as reviewed and recommended by the TIF Commission on January 12, 2012, including amendments thereto, if any, and the Redevelopment Projects described in the Redevelopment Plan are hereby adopted and approved. A copy of the Redevelopment Plan is attached hereto as Exhibit A and incorporated herein by reference.

SECTION FOUR. There is hereby created and ordered to be established within the treasury of the City a separate fund to be known as the “1549-1601 S. Jefferson Special Allocation Fund.” To the extent permitted by law and except as otherwise provided in the Redevelopment Plan, the City hereby pledges funds in the 1549-1601 S. Jefferson Special Allocation Fund for the payment of redevelopment project costs and obligations incurred in the payment thereof.

SECTION FIVE. Tax increment allocation financing is hereby adopted within the Redevelopment Area. After the total equalized assessed valuation of the taxable real property in the Redevelopment Area exceeds the certified total initial equalized assessed valuation of the taxable real property in the Redevelopment Area, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in the Redevelopment Area by taxing districts and tax rates determined in the manner provided in Section 99.855.2 of the TIF Act each year after the effective date of this Ordinance until redevelopment costs have been paid shall be divided as follows:

A. That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the Redevelopment Projects shall be allocated to and, when collected, shall be paid by the City Collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

B. Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the Redevelopment Projects and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the Redevelopment Projects shall be allocated to and, when collected, shall be paid to the City Treasurer, who shall deposit such payments in lieu of taxes into the 1549-1601 S. Jefferson Special Allocation Fund for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the Redevelopment Projects from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable.

SECTION SIX. In addition to the payments in lieu of taxes described in Section Five of this Ordinance, fifty percent (50%) of the total additional revenue from taxes, penalties and interest which are imposed by the City or other taxing districts, and which are generated by economic activities within the area of the Redevelopment Projects over the amount of such taxes generated by economic activities within the area of the Redevelopment Projects in the calendar year prior to the adoption of the Redevelopment Projects by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri (2000) as amended, or taxes levied for the purpose of public transportation pursuant to Section 94.660 of the Revised Statutes of Missouri (2000) as amended, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, shall be allocated to, and paid by the collecting officer to the City Treasurer or other designated financial officer of the City, who shall deposit such funds in a separate segregated account within the 1549-1601 S. Jefferson Special Allocation Fund.

SECTION SEVEN. The Comptroller of the City is hereby authorized to enter into agreements or contracts with other taxing districts as necessary to ensure the allocation and collection of the taxes and payments in lieu of taxes described in Sections

Five and Six of this Ordinance and the deposit of the said taxes or payments in lieu of taxes into the 15491601 S. Jefferson Special Allocation Fund for the payment of redevelopment project costs and obligations incurred in the payment thereof, all in accordance with the TIF Act.

The City Register is hereby directed to submit a certified copy of this Ordinance to the City Assessor, who is directed to determine the total equalized assessed value of all taxable real property within the Redevelopment Area as of the date of this Ordinance, by adding together the most recently ascertained equalized assessed value of each taxable lot, block, tract or parcel of real property within the Redevelopment Area, and shall certify such amount as the total initial equalized assessed value of the taxable real property within the Redevelopment Area.

SECTION NINE. The Mayor and Comptroller of the City or their designated representatives are hereby authorized and directed to take any and all actions as may be necessary and appropriate in order to carry out the matters herein authorized, with no such further action of the Board of Aldermen necessary to authorize such action by the Mayor and the Comptroller or their designated representatives.
