The District shall immediately report all known violations of the Sales Tax Law, Sections 144.010 to 144.525 of the Revised Statutes of Missouri, as amended, to the Missouri Department of Revenue for enforcement to the extent that such violations result in the District's inability to collect CID's Sales Tax in a timely manner as provided for in the Sales Tax Law. In the event that the Missouri Department of Revenue notifies the District that it will refuse to undertake enforcement of CID's Sales Tax, the District shall promptly initiate an action to enforce collection unless it reasonably determines that the cost of such enforcement action will exceed the amount of the Collection Fee associated with any CID Sales Tax collected as a result of such enforcement action. Notwithstanding anything herein to the contrary, the District shall not undertake any enforcement action if the cost of such enforcement action is reasonably expected to exceed the amount of revenues sought to be collected.

The City shall have no affirmative obligation to discover, investigate or ascertain the accuracy of such CID Sales Tax Return; provided, however, that the City may conduct its own reasonable review and comparison of each CID Sales Tax Return to the corresponding Department of Revenue Form 53-1 to determine whether the amount of CID Sales Tax remitted to the District was calculated correctly.

In the event that any records pertaining to the CID Sales Tax are governed by Section 32.057 of the Revised Statutes of Missouri, as amended, the City shall provide any of such records as it may possess to the District upon receipt of a written request that conforms to Section 32.057.2(e) of the Revised Statutes of Missouri, as amended, and only to the extent necessary to assist in collection of the CID Sales Tax.

Section 4.5 [Intentionally Omitted.]

Section 4.6 Use of CID Sales Tax Revenues. Beginning in the first month following the effective date of the CID Sales Tax and continuing each month thereafter until the retirement of the TIF Obligations, the District shall, not later than the fifteenth (15th) day of each month, distribute to the City that portion of the CID Revenue that constitutes EATs collected by the District in the previous month less the Collection Fee and an amount not to exceed Ten Thousand Dollars (\$10,000) annually for CID Administrative Costs. The City shall deposit that portion of CID Revenue that constitutes EATs into the EATs Account of the Special Allocation Fund. Section 4.7 Repeal of CID Sales Tax. So long as any TIF Obligations are outstanding, the District shall not repeal or reduce the CID Sales Tax.

ARTICLE V. CID PROJECT FINANCING

Section 5. Financing of the CID Project. The parties acknowledge and agree that the District shall be responsible for the financing, the construction and ongoing maintenance of the CID Project. The CID's obligations under this Section shall be the exclusive responsibility of the CID payable solely out of the CID's funds and property as provided in the CID Act and shall not constitute a debt or liability or general obligation of the District, the City, the State of Missouri or any agency or political subdivision thereof. The District further agrees to refrain from encumbering or pledging, on a superior or parity lien basis, any portion of the CID Revenues in such a manner that would be inconsistent with the terms and intent of this Agreement.

Section 5.2 [Intentionally Omitted.]

Section 5.3 [Intentionally Omitted.]

The District CID Project, also known as the “streetscape project”, will include the removal of selected plants and flowers; the planting of selected native and non-native plants, flowers, and shrubs; the removal of aged and overgrown trees and their replacement with newly planted trees; the enhancement of pedestrian walkways and crosswalks; the repair or extension of the existing sprinkler system within the median as may be necessary; and the implementation of other aesthetic or capital improvements that may be identified as necessary or desired by the Board. The “streetscape project” will occur within the boundaries of the District including the Jefferson Avenue median, the western Jefferson Avenue right-of-way, abutting private property used as a part of the “streetscape”, and private entry/exit drive lanes within the Community Improvement District boundaries. In the event the CID expands its boundaries to the north to include the area referred to as RPA2 in the Redevelopment Plan, the “streetscape project” will expand to the north. The District will provide ongoing, annual maintenance of the “streetscape project” to include, but not be limited to lawn care, plant/tree pruning or replacement, painting, and other services considered necessary to maintain the “streetscape project” during the life of the District.
